Bernie Sanders discusses his use of the Social Security system to survive as a small-town mayor, a radio talk show host and a political organizer — and how that helped him understand the path to universal coverage. (Bill Zanker/AP) This is an archived article and the information in the article may be outdated. Please look at the time stamp on the story to see when it was last updated. WASHINGTON — A Vermont senator whose presidential campaign was built on advocating for a single-payer healthcare system said he got his start in politics, and his own health care, by abusing the system. While many people might consider using their taxpayer-funded government healthcare plan as a stepping stone to the private sector, Sen. Bernie Sanders said he used it to survive in his career as a small-town mayor, radio talk show host and political organizer. But he said a key lesson he learned from those experiences was that unlike the private sector, the United States healthcare system wasn’t designed to allow people to be economically independent. “What does it mean that we have an employer-based system when people can’t afford the healthcare they need or the prescription drugs they need? It’s a false economy,” the 78-year-old said in an interview with The Associated Press in his Senate office. Sanders’ office didn’t release the senator’s book until days after the Iowa caucuses, despite a campaign promise to let voters know immediately about his newest book — “Unbound: A Rebel’s Path to Economic Independence,” published in March. But even then, the senator didn’t offer many details about the book, which includes sections on how Sanders’ upbringing helped him understand his hometown of Burlington, Vt., where he started his run for mayor in 1981. Sanders touted the book as a guide for young people who want to “get a job, get an education” and become economically independent, but it includes little about his political career. That leaves many hoping for more details on his relationship with Barack Obama, which launched his long-shot presidential campaign and was at the root
