

People love free steam games, no doubt. But what many people hate is downloading so many parts and trying to install them on their own. This is why we are the only site that pre-installs every game for you. We have many categories like shooters, action, racing, simulators and even VR games! We strive to satisfy our users and ask for nothing in return. We revolutionized the downloading scene and will continue being your #1 site for free games. All shops featured on GG.deals will deliver your game immediately after the payment has been approved. This will be either in the form of direct download or PC key - depending on the store of your choice. After you activate key on a corresponding platform, you will be able to download and play your game for free. If you don't know how to activate the key, check out the **tutorials** section on the bottom of the page.
