# Cthulhu Mythos RPG: The Sleeping Girl of the Miasma Sea - A Retro Horror Game Inspired by Lovecraft

If you are a fan of horror games and the Cthulhu Mythos, you might want to check out *Cthulhu Mythos RPG: The Sleeping Girl of the Miasma Sea*, a retro styled horror RPG containing modern elements from the Cthulhu Mythos universe. Developed by Alchemy Blue and published by DLsite, this game is available on Steam for \$6.99.

The game follows the story of you, a second year high school student, who decides to explore an abandoned mansion with your friends as a test of courage. However, you soon realize that the mansion is not as empty as it seems, and that there are unspeakable horrors lurking in the shadows. You will have to create your own protagonist, choose your companions, and use your skills and items to survive and unravel the mystery of the mansion.

The game features pixel graphics, multiple endings, a new game plus mode, and a customizable protagonist. You can also select two of your five friends to accompany you in your exploration, each with their own personality and abilities. Depending on who you choose, the experience and dialogue may change drastically. The game also has a unique system where you can give up and go home at any time, but you will retain your level and items when you start over. This allows you to try different strategies and paths until you find the truth.

*Cthulhu Mythos RPG: The Sleeping Girl of the Miasma Sea* is a game that will appeal to fans of horror, RPGs, and Lovecraftian lore. It is a game that will challenge your courage, your sanity, and your curiosity. If you are interested in this game, you can download it from Steam here:

The game is inspired by the works of H.P. Lovecraft, the creator of the Cthulhu Mythos, a series of stories that feature cosmic horror, ancient gods, and madness. The game references many elements from the Cthulhu Mythos, such as the Necronomicon, the Mi-go, and the Elder Sign. The game also has a dark and oppressive atmosphere, with eerie music and sound effects, and disturbing visuals. The game is not for the faint of heart, as it contains scenes of violence, gore, and sexual content.

The game has received positive reviews from players and critics alike, who praised its gameplay, story, characters, and graphics. The game has been described as a hidden gem, a cult classic, and a must-play for horror fans. The game has also been compared to other horror RPGs, such as *Corpse Party*, *Mad Father*, and *Sweet Home*. The game has a loyal fanbase, who have created fan art, fan fiction, and fan translations for the game.

If you are looking for a challenging and immersive horror game that will keep you on the edge of your seat, you should give *Cthulhu Mythos RPG: The Sleeping Girl of the Miasma Sea* a try. You will not regret it.
